TRIPS COMMUNICATION

Please remember that all trips related information including the prompt to apply emails are now sent via EVOLVE (school trips management system) administered by Hampshire County Council. Please ensure that you add evolve.notifications@edufocus.co.uk to your safe senders list. Please click this [LINK](#) to access the letter with all details.

IMPORTANT

REMINDER

All trips are organised in accordance with the [School Trips Place Management Procedure](#), which can be found on the school website.

The school initially bears the cost of a booking in good faith on a parent's behalf, on the understanding that when applying for a place, parents are committing to paying for that place in full, unless there are extenuating circumstances. Trips and events are only possible because of these parental contributions. Student withdrawals are time-consuming, impact a trip's viability, and it is not always possible to pass an opportunity to another student.
