

Library News

Calthorpe Park School Library is now open. I'm Mrs Eastlake, the new librarian and I'm very much looking forward to meeting our students through their visits during breaktimes and after school, alongside the various activities and clubs that will be running this year.

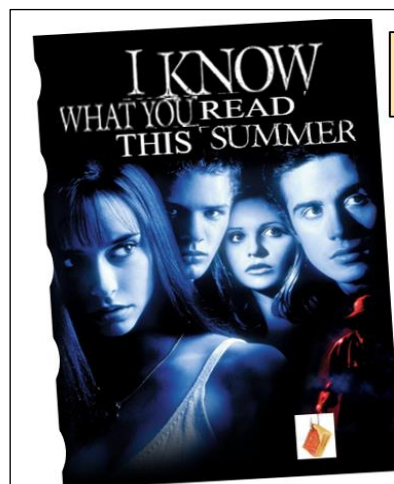

The library's opening hours are currently 8.30am -3pm each day – with an extension to 4pm when clubs are held. Further details about book-based clubs will be available soon.

We are open at breaktime and lunchtime with the aim to ensure that the space offers a quiet reading and homework area on some days, alongside the continuation of the 'Chill and Chat' club on Monday and Friday. Students are asked to ensure they do not bring food and drink into the library so we can ensure the environment stays as pleasant as possible for everyone.

Monday	Tuesday	Wednesday	Thursday	Friday
Chill and Chat – board games available.	Reading/ mindfulness activities/ homework & revision.	Reading/ mindfulness activities/ homework & revision.	Reading/ mindfulness activities/ homework & revision.	Chill and Chat – board games available.

I'd currently love the students to pop along and add to the 'Reading Line' where they can share their summer reads. These don't have to be books from our library as they may be a great option to be added to our stock. By sharing any great reads, students can influence the reading of others and the books available.

Share your summer reading on the reading line

- Grab the 'book-note' and tell us a little about the book(s) that captured your imagination during the summer holidays.
- Were you transported to new worlds? Did you make acquaintance with engaging characters? Were you introduced to exciting ideas and outlooks?
- Share your favourites with us so we can give them a try.

Lots more library news to come over the next few weeks including Student Librarian recruitment and details of clubs.
