

Library News

It's been a busy week in the library and I am delighted to see many more students visiting. I've particularly noted how more of our Year 7 students have come in and are reading, doing mindful colouring/activities or quietly playing our selection of games. This week several Year 7 English classes had their Induction lesson so this will have helped them get to know how the library works and encouraged them to visit. More of these lessons will take place next week.

A quick reminder about opening times:

- Before school at 8.30 am
- During breaktime and lunchtime
- After school until 3.30 pm
- Year 7 and 8 Book groups runs on a Wednesday until 4.00pm
- Games club runs on a Friday until 4.30 pm

Book Amnesty

Continuing the call for those books that are out there somewhere! Please do have a good look around the house, maybe under the bed or tucked away at the back of a wardrobe as I am keen for any overdue books to be returned. This week I had a few appear in the Returns Cupboard that were borrowed quite some time ago but there are no questions asked or moans directed at students as I'm simply pleased they are brought back and can be used again by other students. They can easily be put into the Book Returns Cupboard by the library door. It's really helpful to know where the books are as I check through our stock and look at adding some great new titles to the range on offer.

Book Club

I'm really looking forward to meeting lots more year 7 and 8 students at the CPS Book Club which is held after school on Wednesdays 3-4pm. It's an ideal way for students to get involved in reading-based activities and quizzes, get creative and share their enjoyment of books and reading. There may even be a biscuit or two thrown in as well!

Student Librarians

Final call for any pupils who are interested in joining a team of happy helpers made up of students from Year 7-10 to support the running of the library. These students are an important part of the library as they will support me in keeping things organised and can contribute to ideas for stock and activities. If students are interested in applying they can pick up a form from me in the library. Once applications close, I will select those who have clearly expressed why they would like to join the library team. Students can come and see me in the library if they wish to know more.
