## MARCH 2023

### PARENTS SURVEY (1) - TRIPS SOURCES OF INFORMATION

Thank you for taking the time to complete the survey.

Your feedback indicated that the TB & TIP are parents' primary sources of information.

All trips are organised in accordance with the [School Trips Place Management Procedure](#). An updated version was issued at the beginning of September and can be found on the school website. Please be aware that should a trip need to be cancelled, or should we be required to make alterations (for example, reducing the number of attendees) or restrictions which would render the trip impossible to go ahead, we will only be able to reimburse any costs to parents which have, in turn, been refunded to the school.

The school initially bears the cost of a booking in good faith on a parent's behalf, on the understanding that when applying for a place, parents are committing to paying for that place in full, unless there are extenuating circumstances. Trips and events are only possible because of these parental contributions. Student withdrawals are time-consuming, impact a trip's viability, and it is not always possible to pass an opportunity to another student.

### Trips Opening for Applications: Tuesday 18 April 2023
