10 September 2024

Dear Parents and Carers,

Re: #BeeWell Student Survey 2024

Calthorpe Park School is excited to be supporting the #BeeWell programme in the Autumn Term. #BeeWell is England's largest youth-centred programme focused on young people's wellbeing and designed to bring together schools, communities and young people and act together for positive change. In the autumn term, students in Year 9 and 10 will take part in a survey about their wellbeing. Schools across Hampshire and the Isle of Wight have been asked to participate. An opt out form from the University of Manchester detailing the research they are undertaking and answering frequently asked questions about the project can be found [here](#), along with their privacy notice.

Why we are writing to parents/carers

We are asking for your permission for your child to be invited to complete the student questionnaire. **If you are not happy for your child to be invited to complete the questionnaire, then please let us know by Friday 20 September by completing the form [here](#).**

In addition, you will also need to complete and return the form to Bee Well. This form is on the Parents and Carers Information Sheet [here](#)

Please be reassured that choosing not to take part in the survey will not disadvantage you or your child in any way.

Further information about Bee Well can be accessed [here](#).

Yours sincerely,

Mr Lee Jones
(Associate Leader for Equality, Diversity & Inclusion and Student Personal Development)
