learners who aspire for themselves and inspire others

3 November 2023

AUDIENCE: WHOLE SCHOOL

Dear Parents/Carers,

Following on from work completed by students in tutor time around World Food Day to fight against hunger and malnutrition, we will be holding a food drive during November. We are going to run this as a House competition, with the House that brings in the most items winning.

Hart Food Bank need the following items:

Tinned Vegetables
Custard – tinned and cartons
Tinned Rice Pudding
Tinned Fruit
Juice and Squash
Pasta Sauces
Pulses
Rice
Breakfast cereals

Soup
Pasta
Tinned beans
Tinned meat
Tea or coffee
Biscuits
Snacks
Dog Food

In addition to food, donations of toiletries (eg. shampoo and toothpaste) and household products (eg. toilet roll and washing powder) are also needed. Please ensure that the food is unopened and will still be in date throughout December.

Students should bring donations to their Tutor who will store in their room and send them to a central location in the school on a weekly basis. Selected Year 10 students will then check the donations and count how many each House has brought in. This information will then be displayed on the screens across the school. The final date for bringing in donations is Friday 1st December as they will be collected by the Food Bank that afternoon.

Many thanks for your support!

Yours sincerely

Mr P Findlay
Science Teacher
