learners who aspire for themselves and inspire others

27 March 2024

Dear Parents and Carers,

I hope this finds you well and that you are looking forward to the Easter Holiday.

I am writing to inform you of some improvements we are making to our lunchtime food service in both the Restaurant and Café locations.

The quality and popularity of the food we are providing has resulted in a sustained increase in the number of students purchasing food in school each day. This can sometimes mean students are queuing for longer than we would like to get their food which, of course, means they are spending less time with their friends. As a result, from Monday 15 April we will move from one Service to two Services.

The 1st Service will begin at the start of the lunchtime break at 12.40 and the 2nd Service will begin 15 minutes later at 12.55. This will reduce the number of students queuing at any one time and reduce the amount of time some students spend queuing to purchase their food at the till points. Please be assured that the serveries will be replenished with fresh servings of menu items in time for the 2nd service so that a full choice remains available throughout.

As you can see from the timetable below we have made every effort to make the arrangements as simple and equitable as possible while prioritising our Year 11 students who have their GCSE examinations either side of the May half term.
