Headteacher: Mr K John

learners who aspire for themselves and inspire others

March 2023

Dear Parents

### Option Choices for Year 8 Students - prelaunch

As you may be aware, your child will be making their option choices for selected courses to study, from September 2023, through to the end of their Year 11.

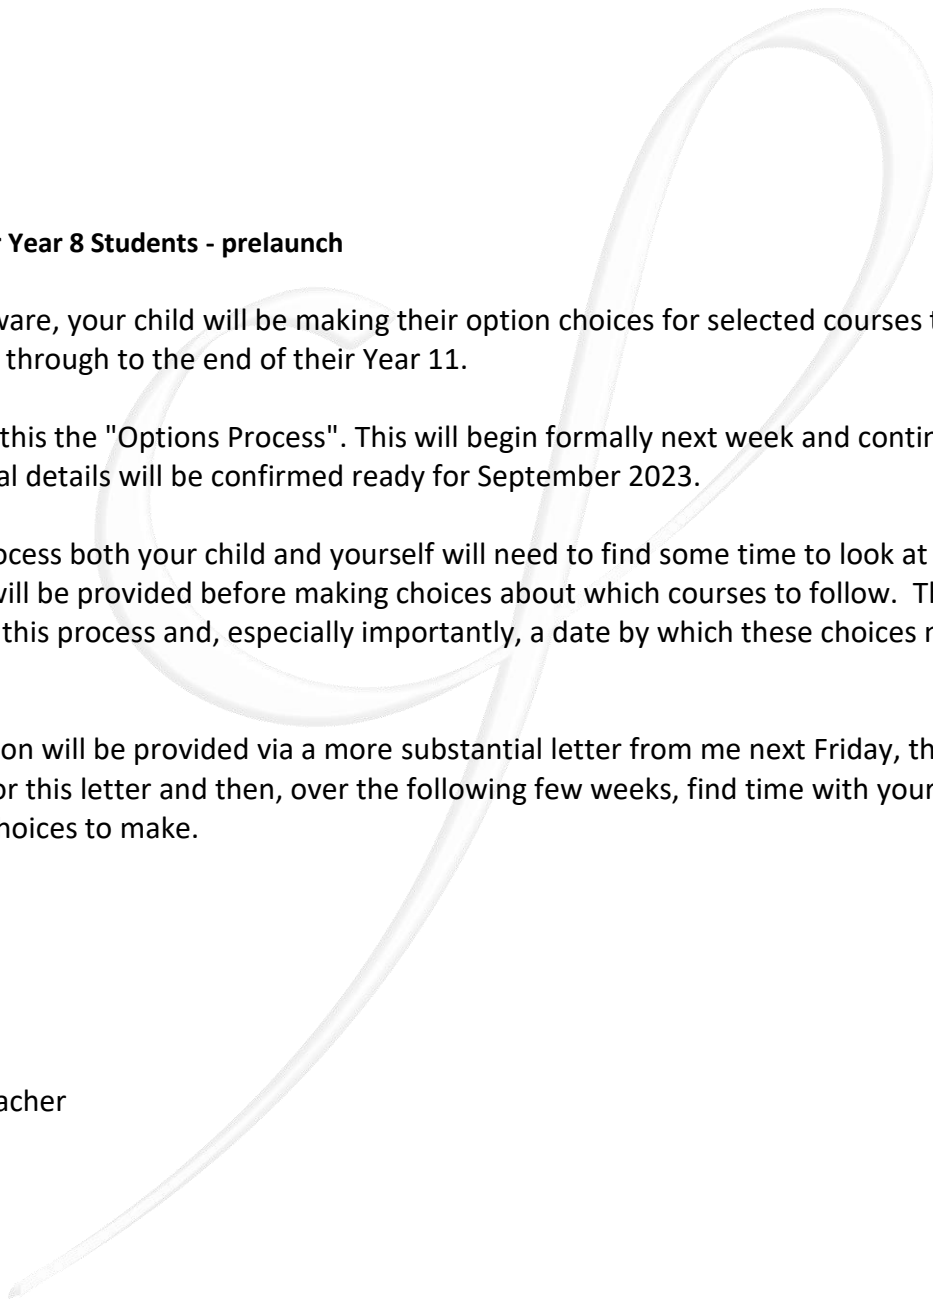

At school we call this the "Options Process". This will begin formally next week and continue on through to July when the final details will be confirmed ready for September 2023.

As part of this process both your child and yourself will need to find some time to look at information and guidance which will be provided before making choices about which courses to follow. There are some key dates involved in this process and, especially importantly, a date by which these choices need to be selected.

Further information will be provided via a more substantial letter from me next Friday, the 24th March. Please look out for this letter and then, over the following few weeks, find time with your child to review and discuss the choices to make.

Yours sincerely

W Brand  
Assistant Headteacher
