Friday 18 July 2025

Dear Parents and Carers,

As this school year draws to a close, we are already preparing for the next academic year. We're excited to develop our use of mini whiteboards as a key part of our classroom learning next year, and as such have bought a class set of boards for every classroom in the school. These fantastic tools are proven to be incredibly effective in helping students engage actively, share their thinking quickly, and build confidence in a fun and interactive way.

Mini whiteboards will be used across all subjects to:

- Encourage quick thinking and active participation
- Allow for immediate feedback and peer discussion
- Make learning more visual and responsive

Mini whiteboard use will be a key pillar of our commitment to embedding Ordinarily Available Provision to promote Inclusive learning for all.

To support this, we ask that, from September, **each student brings their own dry wipe, (non-permanent) whiteboard pen** as part of their school equipment. Having their own pen ensures that every child can make the most of this brilliant learning resource every day. These can be sourced from stationary shops or online through Amazon; remember they *must* be dry wipe and non-permanent.

Thank you for your continued support in helping us create an inclusive and engaging learning environment for all our students.

Kind regards

Mrs N Skarzynski  
Assistant Head: Teaching and Learning
